

AAC BLOCKS

**GREAT
VARIETY
OF AAC
PRODUCTS**

AIRCRETE EUROPE | PRODUCT PORTFOLIO

BLOCKS

NORMAL BLOCKS

Aircrete Blocks are a universal building product. They can be produced with either **sand or fly-ash as a raw material input** and are manufactured in different shapes and sizes, depending on your local market.

- **High level of dimensional accuracies (<1mm)**
- **Handgrips or tongue/groove profiling**
- **Easy application for non-load bearing structures**
- **Great alternative to brick masonry**

BLOCK WITH TONGUE GROOVES

EXTERNAL BLOCK

INTERNAL BLOCK

DENSITY	THICKNESS (mm)	LENGTH (mm)	HEIGHT (mm)
A-300	50 - 500	400 - 625	200 - 250
A-400	50 - 500	400 - 625	200 - 250
A-500	50 - 500	400 - 625	200 - 250
A-600 (sound insulating)	50 - 500	400 - 625	200 - 250

Dimensional accuracy: as per EN 77-4 for thin layer mortar TLMB table 2

BLOCKS

U-BLOCKS

Aircrete Blocks are a universal building product. They can be produced with either **sand or fly-ash as a raw material input** and are manufactured in different shapes and sizes, depending on your local market.

- **High level of dimensional accuracies (<1mm)**
- **Easy application for non-load bearing structures**
- **Great alternative to concrete flooring**

BLOCKS

ROUNDED BLOCKS

Aircrete Blocks are a universal building product. They can be produced with either **sand or fly-ash as a raw material input** and are manufactured in different shapes and sizes, depending on your local market.

- **Flexibility and freedom in interior design**
- **High level of dimensional accuracies (<1mm)**
- **Easy application for non-load bearing structures**
- **Great alternative to brick masonry**

With decades of experience and sales in over 100 different AAC plants in 20 countries on 6 different continents, Aircrete Europe is the recognized global leading developer and manufacturer of Autoclaved Aerated Concrete (AAC) machinery and technology for the production of AAC panels and blocks

We design and deliver the most innovative turn-key AAC plants and cutting-edge plant technology around the world. Being the long-term, exclusive project partner for our customers, we guide you through all the steps of planning, building and operating your AAC factory. We are a full technology partner, not just a machine supplier, resulting in maximum value creation for our customers. Together we build your success!

Our corporate headquarters, operations and the manufacturing sites are located in Oldenzaal (the Netherlands) with a support office in Hilversum (the Netherlands), and sales representatives in the Americas, Middle East and South East Asia.
